## By automobile...

### 1. From Munich:

If arriving from Munich on the autobahn, proceed across the national border at Walsertal and on for around three kilometers. Here, the autobahn splits north (to Linz/Vienna) or south (to Villach). Take the A10 towards Villach. After approximately 6 kilometers, take the exit SALZBURG SÜD. Immediately after exiting the highway, take the right-hand exit ramp toward Berchtesgaden. After joining the main road to Berchtesgaden, proceed to the traffic light and turn right to GRÖDIG. In the small town of Grödig, drive straight through until a T-intersection. Turn right. Follow the road through the town until you come to a turn off to the left towards GLANEGG and FÜRSTENBRUNN. Proceed approximately two kilometers until you enter the very small town of GLANEGG. Turn right at the T-junction towards Salzburg and proceed immediately over the bridge. You are now on the MOOSSTRASSE and should drive approximately 3 kilometers until you see the school (large yellow building on the left) across the street from the church (on the right).

### 2. From Vienna:

From Vienna on the A1, proceed to exit SALZBURG MITTE and turn off in the direction of the city center (ZENTRUM). Drive straight ahead through several traffic lights and intersections. You will be following the

MÜNCHNER BUNDESSTRASSE. Proceed for approximately three kilometers to an intersection (light) at the RUDOLF-BIEBL-STRASSE. Turn right. Proceed straight ahead, through an underpass for the train. Continue through the next two traffic lights. After the second traffic light, you find yourself on the MOOSSTRASSE. Continue straight ahead for approximately three kilometers to the school (large yellow building on the right) across the street from the only church on the Moosstrasse.

### **3. From the South:**

If arriving by auto from the direction of Villach (Autobahn A10), exit at SALZBURG SD. Immediately upon exiting, stay in the left-hand lane toward Berchtesgaden. After joining the BERCHTESGADENERSTRASSE follow the directions above for those arriving from Munich.

### **By train...**

Detrain at the main train station in Salzburg (Hauptbahnhof) and walk to the front of the station to a large square. If there is not an arrangement for someone from the school to meet you there, proceed to the bus stop ahead and on the left-hand side of the square or take a taxi at the stand. Take any of the buses headed downtown to the MARKARTPLATZ. Here, change buses for the #60 bus. Stay on this bus through the city and to the Moosstrasse (depending upon traffic, approximately 20 minutes). The bus stop directly in front of the main building is called MARIENBAD. It may be necessary to push a button on the bus to inform the driver that you wish to stop at the next bus stop.

### **By air...**

Upon arrival and after picking up your baggage, you will enter the main hall of the airport through sliding glass doors. If there is not an arrangement for someone from the school to meet you there, proceed out of the doors to the taxi stand (immediately outside). If you decide to take a taxi to the school, the address to give is Moosstrasse 106 and you might want to include American School). If you don't mind a rather extensive detour to the lovely center of the city, walk across the parking lot to the bus stop and ride the #77 bus to the HANS SCHMID PLATZ. Switch here to bus #2 and take it east along the Neutorstrasse to the NEUTORSTRASSE bus stop. Switch here to bus #60 (bus stop around the corner on the Moosstrasse). Take the #60 bus for approximately three kilometers to the school (large yellow building on the right) bus stop MARIENBAD. You may need to push a button on the bus to inform the driver that you wish to stop at the Marienbad stop.

### **Directions to Landessportzentrum (LSZ) Rif (for sports tournaments):**

Whether traveling on the autobahn from the direction of Vienna, Munich, or Villach (A1, A8, A10), exit at SALZBURG SD and proceed in the direction of BERCHTESGADEN. Drive through the first traffic light (near a large gas station) and on to the second traffic light at ST. LEONHARD. Turn left at the light, proceed through the small town and further past a large cement factory. Eventually, you will enter the town of NIEDERALM. The road will end at a T-junction. Turn right and proceed over the bridge. Turn left at the road marked LANDESSPORTZENTRUM RIF shortly after the bridge. After approximately 300 meters, turn right to the sports center. This road will take you directly past the golf course and to the centers parking lot.

To drive from the Landessportzentrum Rif to AIS-Salzburg, retrace the steps above back towards to St. Leonhard. At the intersection, continue straight ahead instead of turning right. After two kilometers you will enter the small town of GRÖDIG. Follow the road through the town until you come to a turn off to the left towards GLANEGG and FÜRSTENBRUNN. Turn left here and proceed approximately two kilometers until you enter the very small town of GLANEGG. Turn right at the T-junction towards Salzburg and proceed immediately over the bridge. You are now on the MOOSSTRASSE and should drive approximately 3 kilometers until you see the school (large yellow building on the left) across the street from the church (on the right).
