

Student Reflection Questions

Once you have completed your service activity, please reflect on the experience you had. Complete each of the following questions with a short answer response.

Who benefited from the service you completed? How did they benefit?

What was the greatest benefit to yourself through your service? How did you benefit?

What did you learn from your service? What did you learn about the community issue addressed through your service?

What was the most challenging part of the project or activity for you? Why was this the most difficult?
