A PLEDGE TO STOP THE SPREAD OF COVID-19

Being a member of the American International School-Salzburg community means that each of us has a communal responsibility, as we continue to navigate these challenging and unprecedented times, to balance the health and safety needs of our community. Aligned with the AIS-Salzburg Honor Code, we expect that all members of our community take accountability and responsibility for their health, support the well-being of others, and cooperate with mitigation efforts to help keep the AIS-Salzburg community as safe as possible from the spread of COVID-19.

I PLEDGE TO:

ACT WITH EMPATHY AND COMPASSION:

‘I pledge myself to be positive, attentive, understanding and helpful to anyone at AIS-Salzburg who may be in need up support, whether physically, mentally, or emotionally.’

‘I pledge myself to lead with positive intent and work to understand the perspectives of my classmates, advisors, teachers, resident-staff members, and all others in the AIS-Salzburg community.’

ACT WITH INTEGRITY:

‘I pledge to follow health and safety protocols, such as cleaning, wearing face masks, physical distancing, etc. as expected, even if no one is around.’

ACT WITH PERSONAL AND SOCIAL RESPONSIBILITY:

‘I pledge myself to carefully observe instructional signs and follow directions’

‘I pledge myself to self-monitor for the symptoms of COVID-19 and report to the Health Coordinator if I experience any symptoms consistent with COVID-19, including, but not limited to, fever, dry cough, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat or loss of taste or smell.’

‘I pledge myself to wash my hands often with soap and water, for at least 20 seconds, use hand sanitizer, especially when returning from outside, after using the restroom, before meals, or upon returning to a classroom or campus.’

‘I pledge myself to adhere to expectations for testing, contact tracing, isolation, and/or quarantine and keep track of and report contacts if I test positive for COVID-19.’

‘I pledge to keep my clothing, belongings, personal spaces, and shared common spaces clean and disinfected to the best of my ability.’

ACT WITH COURAGE ON BEHALF OF OTHERS AND MYSELF:

‘I pledge myself to support members of the community who may be at higher risk for COVID-19 by following physical distancing requirements, masking guidelines, and protocols in place at any given time.’

‘I pledge to stay home or in my dormitory room and notify the AIS-Salzburg Health Coordinator or office staff if I feel ill or if I have potentially been exposed to someone who is ill or has tested positive for COVID-19.’

‘I promise to ask an administrator, teacher, or resident-staff member for clarification if I do not understand the health and safety protocols that AIS-Salzburg expects of me.’

‘I understand, as a member of the AIS-Salzburg community during the 2020-2021 school year that I am an important part of the school and that we are stronger as a community when we all do our part to keep our campus safe.’

‘Additionally, I pledge to do my part by following the specific rules put in place by AIS-Salzburg and the Austrian health and governmental authorities, including all of those listed above in this document, to protect the functioning of residential life, classroom environments as well as athletic and extra-curricular activities, excursions, outings and sports events. I pledge not to act in ways that could compromise the well-being or safety of our community.’
