

Parent Permission Forms
for
Day Students
2020-2021

Please read through the following parental permission forms carefully, sign or initial them where required, and then return by fax, mail, or E-mail to the AIS-Salzburg office before the start of the 2020-2021 school year (September 7, 2020). If you have any questions concerning these forms, please call the school office at +43 662 824617 or e-mail a message to office@ais-salzburg.at. The provision of the information requested on these forms and signatures is an obligation of contractual enrollment at AIS-Salzburg and is required.

Name of Student *(Please print clearly):* _____

IMPORTANT!

Please note that any and all of the following forms are subject to change or amendment given the health situation here in Salzburg during the upcoming school year. Particularly, attendance policies and excursion destinations and planning are subject to ongoing review. The school administration reserves the right to change these aspects of policy as needed and justified by the health hazards and their level of threat to our community at any given time during the 2020-2021 school year.

Additionally, it is critically important for the office staff to receive a carefully-completed and up-to-date Student Health Form and Record as well as a Medical Treatment Consent form (both attached here). Having this information will ensure that we can identify any particular threats to students with ongoing health problems or conditions which our health staff needs to be particularly aware of.

Thank you for your understanding.

Enrollment Form 1: Personal Data Consent

Client Consent Form: Personal Data Protection

In accordance with the European Union Regulation 2016/679 which established standards regarding the protection of data processed and stored as well as the free movement of data. This regulation is generally referred to as the General Data Protection Regulation (GDPR). The American International School-Salzburg is required by this regulation to create and provide a framework of policies which establishes an adequate level of protection of personal data collected and handled by the school staff. Personal data collected and processed by AIS-Salzburg includes that of (a) of enrolled students, (b) parents and legal guardians of students enrolled, (c) employees, and (d) contractual partners of AIS-Salzburg.

Whereby:

1. The term '**client**' refers to any student enrolled at AIS-Salzburg as well as their legal guardians who have signed a contractual agreement establishing formal enrollment at AIS-Salzburg for educational purposes.
2. The term '**contractual partner**' refers particularly to those who sign and enter into any formal agreement with AIS-Salzburg (parents and legal guardians) as well as employees and all others with which AIS-Salzburg enters a contractual arrangement.

With this form of consent specifically and the AIS-Salzburg Data Protection Policy generally, the administration of AIS-Salzburg hereby informs all clients of (I) the nature and categories of the personal data collected and processed at AIS-Salzburg, (II) the purposes for which their personal data is processed by AIS-Salzburg, (III) the third parties to which personal data is transferred, as well as (IV) the individual rights of clients regarding the processing of their personal data and how these rights can be exercised.

I. Purposes for Which Personal Data is Collected and Processed at AIS-Salzburg

The American International School-Salzburg is a private, independent, secondary boarding and day school providing a college-preparatory education in English and in accordance with U.S. High School Diploma standards as well as criteria established by the Advanced Placement® program of the College Board Organization in the United States. AIS-Salzburg is fully accredited to offer this program and diploma by the Middle States Association of Colleges and Schools. The school's mission defines the following educational goals and purposes:

- A. to provide a college-preparatory secondary education and diploma to students ages 12 to 18 in accordance with internationally-recognized standards and expectations of professional practice and benchmarks;
- B. to provide safe, secure, and adequate residential accommodations to all boarding students;
- C. to establish and carry out a program of activity which enhances the physical well-being and development of our students;
- D. to provide for adequate nutrition, environmental conditions and health support for all students;
- E. to provide adequate direction, supervision, instruction, guidance, and order to facilitate the above.

In order to carry out our mission and the above-listed educational goals, the administration, staff, and faculty of AIS-Salzburg must collect and process personal data belonging to our clients (parents, legal guardians and enrolled students).

AIS-Salzburg is committed to the privacy and security of personal data collected and processed within the principles of the GDPR. Our policy ensures that:

1. We obtain all necessary and mission-related personal data fairly.
2. We maintain all necessary and mission-related personal data for specific purposes.
3. We process personal data in ways related to the purposes inherent in the mission.
4. We keep personal data safe and secure.
5. We keep personal data accurate and up-to-date
6. We process personal data that is adequate, relevant, but not excessive to privacy
7. We retain no data longer than necessary.
8. We provide copies of individual's personal data on request of the client.

II. Nature and Categories of Client Personal Data Collected

Client personal data collected by AIS-Salzburg is stored securely in electronic form both internally on the school's server as well as on the external server of the PowerSchool® Student Information System. Access to all client personal data is

restricted by policy to authorized staff members and for specific purposes related to the school's mission. Please refer to the AIS-Salzburg Data Protection Policy as well as the

Enrollment Form 3: Athletics / Physical Education Participation

Name of Student (Please print clearly): _____

The American International School-Salzburg requires all students to participate in physical education courses each trimester of enrollment. Additionally, ski and snowboarding trips are scheduled and a range of competitive athletics teams are organized and participate throughout the year. In order to take part, the following parental permission which releases the school from liability, must be signed and on file in the school office as of the start of the school year (September 7, 2020).

- I hereby give permission for my son or daughter to participate in all forms of supervised and unsupervised sports and activities including skiing/snowboarding and contact sports. I release the school of all liability, present and future, incurred by reason of injury to my son or daughter while participating in such activities at AIS-Salzburg.*
- I do not grant my son or daughter permission to participate in such activity (Please explain on a separate sheet). Note: Without participation in the credit-bearing, required physical education courses at AIS-Salzburg, promotion and/or graduation may not be achieved.*

Enrollment Form 4: Attendance Policy Agreement

Name of Student (Please print clearly): _____

AIS-Salzburg Attendance Policy

1. All students at AIS-Salzburg must be in attendance in all credit-bearing courses at least 80% of the total scheduled instructional time each academic year. Students who are not in attendance at least 80% of the class time will not receive academic credit. This includes both excused and unexcused absences. Failure to receive credit will result in non-promotion and potential forfeiture of the school's diploma.
2. Unexcused absences from one or more class periods is considered a disciplinary infraction and will result in consequences which include restriction of free time, detention, camping, or referral to the disciplinary committee in cases of repeated offenses.
3. Early departures before vacation or excursion periods as well as late returns afterwards will be marked as unexcused by the school administration regardless of the circumstances. Flight arrangements and travel plans need to be made well in advance with this policy in mind. As in the case of all unexcused absences, the student forfeits the right to make up the academic work assigned and disciplinary consequences may also result. The school year calendar is posted on the school's website.
4. All students at AIS-Salzburg must meet the schools' physical education requirement of two class hours per week during each trimester of enrollment. In the case of illness or injury which does not allow participation (with confirmation of a physician) the physical activity requirement will be made up when the student is physically capable of doing so.
5. All boarding students are required to attend weekly evening study halls on Sunday through Thursday evenings. Failure to attend an evening study hall will result in campus restriction and detention hall. 5-day boarders as well as full-boarders who have received weekend check-out permission are to return to the school campus before 18:00 on Sunday evening.
6. All full-boarding students are required to participate in the weekend activities program. Should a weekend check-out be desired, the following guidelines must be strictly adhered to:
 - a. Check-outs for the weekend are made exclusively to parents and immediate family members who assume full responsibility for their child while away from school.
 - b. Check-outs for the weekend must be agreed to by the school administration following the submission of a request form. This form must be received before 16:00 on the Wednesday before the desired weekend check-out .
 - c. Written or telephonic approval or confirmation by the parents is required.
 - d. One weekend check-out is allowed for full boarders per trimester.
 - e. The administration reserves the right to deny a weekend check-out at any time for any reason.

As the parent or guardian of the above-named student, I have read, understood, and agree to the terms and policies relating to attendance at AIS-Salzburg. I agree to assist my child in meeting all attendance expectations as explained above. I further understand and agree that the failure of my child to meet the school's minimum attendance requirements may result in non-promotion, forfeiture of the school diploma, and/or disciplinary consequences.

Enrollment Form 5: Community Commitment and Integrity Statement

Name of Student (Please print clearly): _____

All students enrolled at AIS-Salzburg are required to sign the following community commitment and integrity statement:

As an AIS-Salzburg student, I understand that there are certain rules and expectations as presented in the Parent and Student Handbook that make living and attending school together safe and beneficial for everyone. Further, I understand and commit myself to demonstrate core ethical values while enrolled at AIS-Salzburg including integrity, honesty, self-discipline, responsibility, respect, citizenship, and service to my community.

I understand and agree with the expectations as presented in the latest copy of the AIS-Salzburg Parent and Student Handbook and agree that the school has the right and obligation to make and enforce these rules and expectations. I also understand that failure to follow these rules and expectations may violate Austrian law and the safety requirements to which the school is obligated. I, therefore, affirm that while enrolled at AIS-Salzburg:

...I will do my best to abide by all expectations of behavior and conduct as communicated to me in the Parent and Student Handbook.

...I will demonstrate respect and regard toward all other persons who are members of my school community at all times.

...I will never engage in behavior which is destructive of or disregards the school community's rules and expectations, the laws of Austria, or the rights accorded each and every member of the school community.

...I agree to uphold and demonstrate ethical behavior which includes honesty, self-discipline, responsibility, appropriate citizenship, and service to my community.

...I agree to uphold the highest standards of academic and personal integrity toward my teachers, instructors, and supervisors as well as the thoughts, information, creation, and writings of others which is protected by copyright. Further, I commit myself to the submission of academic work which is purely and completely of my own creation or invention.

...I understand that suspension and expulsion from the school community may result from serious disciplinary infractions and lack of respect on my part.

Student Signature: _____

As the parent of a student enrolled at AIS-Salzburg, I understand that my child is to abide by the above-mentioned expectations and rules and will dedicate themselves to meeting their academic and social obligations with integrity, honesty, respect, responsibility, service to the community, and appropriate citizenship. I understand that my child may be denied continued enrollment at AIS-Salzburg should the school administration determine that they are unacceptable members of the school community due to disregard or lack of respect for the above-mentioned expectations.

Enrollment Form 6: Acceptable Use Policy for Electronics

Name of Student (please print clearly): _____

Please read through the following acceptable computer use (AUP) policy carefully and sign where required. Please return by fax, mail, or E-mail to the AIS-Salzburg office before the start of the 2019-2020 school year (September 4, 2019). If you have any questions concerning these forms, please call the office at +43 662 824617.

The AIS-Salzburg Acceptable Use Policy for Technology (AUP) is designed to ensure that the use of these electronic devices is subordinate to the objectives of the school's mission and in agreement with our educational beliefs. Although computers and other devices provide important social connections for students who are boarders at AIS-Salzburg, it should always be remembered that the school's computer provisions (hardware software, server, utilities, and system) are primarily available to serve the educational purposes and goals of the school and that all use of the school's provisions is subordinate to these goals.

The use of technology/electronic media at the American International School-Salzburg will include, but is not limited to the following:

1. Promoting school-wide educational goals for student learning.
2. Managing instructional programs involving maintenance of test scores, grades, attendance, and other student data.
3. Conducting research and supporting individual learning.
4. Communicating within and outside the school community.

Policy Parameters

1. All members of the school community must obtain permission/licensing to use the Internet provided by the school's system and server. Agreement with the AUP is verified through a parent and student signature on the appropriate form and the granting of a license for access through the school personnel.
2. Students are allowed to bring laptop computers or computer tablets to the school along with all cables, small speakers, and a small, personal printer. Paper for personal printers must be supplied by the student and speakers must be small and of appropriate volume for the residential setting and expectations. Telephones that access the Internet are also allowed, but will not be allowed to access the school's server.
3. All work/activity on the Internet during academic hours (including evening study hall) must be directly related to school work, assignments, and study.
4. Computers may be utilized for personal purposes during free time within the limits of the filters on the school server; only if registered and licensed through the school wireless system. Attempts—successful or not—to bypass the filters of the system will result in disciplinary consequences and loss of the ability to use the school's system. Students utilizing a personal contract for access to the Internet are required to abide by the terms of this AUP at all times.
5. All student telephones are to be turned off and deposited appropriately at the start of evening study hall.
6. During the first hour of study hall (19:00-20:00), personal computers may be utilized with access to the school server within the limits of the system filters and provided the personal device is registered and licensed for use. After 20:00, personal computers may be used, but without access to the Internet.
7. Personal computers may be utilized during classtime provided approval or assignment is given by the instructor of the course.
8. Personal computers must be stored with the staff from 21:30 each evening, Sunday through Thursday, and may be picked up again after classes have finished. All students are required to pick up their own property personally.
9. The school computer lab is available for student use during afternoon and weekend hours with supervision from the staff.
10. Personal computers or any other devices which can access the Internet may not be utilized during study halls scheduled during the regular academic day unless given written approval by a teacher.
11. Internet use at the school is monitored regularly.

Guidelines for Use of the Internet and E-mail

1. Students must obtain permission from their parents as well as the school administration to utilize the school's system and the Internet.
2. Students should not disclose any personal passwords or logins to anyone including those which grant access to the PowerSchool® Student Information System. If a student feels that their PowerSchool® access codes have been compromised, the front office can reset these and issue new ones.
3. Personal addresses, telephone numbers, or other contact information should never be given out over the Internet while accessing through the school server.
4. Under no circumstances are students to view, upload or download any material which is likely to be unsuitable for children or a school setting. This applies to any material of a violent, dangerous, racist or inappropriate sexual content. Much of this material will be blocked by the server filters. If a student is aware of inappropriate material accessible through the school's server, they should report this for filtering.
5. Students should never download, use or upload any material that is under copyright. Copyrighted material on the Internet may only be used if (a) permission is gained from the owner, or (b) proper citation is utilized. Failure to heed this guideline will result in a violation of the school's academic honesty policy and disciplinary consequences.
6. All students and users of the school's system must agree to supervision. This may include supervision by teachers, administrators, or resident-care staff members. School computers will be placed in public areas where screens are visible. Use of computers during evening study hall will be supervised regularly by the resident-care staff and screens should be visible to the staff when entering the dormitory room.

Minimum Behavioral and Academic Requirements for Computer Use and Access

1. Students with two or more academic warnings (academic probation) at midterm or at the conclusion of a trimester may lose access to their personal computers and the school's intranet system until grades have improved to acceptable standards as confirmed by the teaching faculty.
2. Students who have room restrictions on Friday or Saturday evenings may not use any computers or access to the school's intranet system.
3. Computers or other electronic devices are not allowed during study halls during the academic day or during detention halls.
4. Use of personal telephones and/or other electronic devices with Internet access capabilities must be turned in at the start of each class period of instruction.

Disciplinary Consequences for Failure to Comply

A serious, intentional violation of any of the AUP guidelines will result in disciplinary consequences.

First Violation: Letter sent home with a reminder of this policy and loss of access to personal electronics for one school week minimally.

Second Violation: Letter sent home with warning of possible disciplinary committee meeting with the third offense. Loss of access to personal computer or other electronic devices for one month minimally.

Third Violation: Letter sent home notifying parents and guardians of disciplinary committee meeting and strong possibility of suspension or expulsion from the school. All computer use is withdrawn through the remainder of enrollment.

Note: Some activities which would be in violation of this policy may automatically qualify as a third violation especially if computer use and Internet access resulted in a conscious violation of the law, or were directly injurious or defaming to another person or member of the school community.

Consent for Medical Treatment and Transmission of Medical Information *Zustimmung zur medizinischen Behandlung und Übermittlung von medizinischen Informationen*

I hereby authorise AIS-Salzburg to consent to any medical care and treatment for my child,

_____, that is recommended by a licensed healthcare provider to whom my child is presented for treatment, while my child is a student at AIS-Salzburg. In order to ensure that my child receives prompt medical care and treatment when necessary, I hereby release any licensed health care provider providing medical care to my child from liability relating to such provider's acceptance of the substitute caregiver's (AIS-Salzburg) consent.

Ich ermächtige AIS-Salzburg, alle medizinische Behandlungen und weitere Behandlungen meines Kindes, (siehe Name oben), zuzustimmen, die von einem zugelassenen Gesundheitsdienstleister empfohlen wird, dem mein Kind zur Behandlung vorgestellt wird, während mein Kind Student bei AIS-Salzburg ist. Um sicherzustellen, dass mein Kind bei Bedarf umgehend medizinisch versorgt und behandelt wird, entbinde ich hiermit jedes zugelassene medizinische Fachpersonal, das meinem Kind medizinische Versorgung gewährt, von der Haftung für die Annahme des Ersatzpflegers (AIS- Salzburg) Zustimmung.

I also hereby permit the confidential exchange (telephonic, digital, and in person), of medical information, diagnoses, treatments and recommendations regarding my child between the aforementioned health personnel and the administration including the Health Coordinator of AIS-Salzburg. Furthermore, I permit the school to transmit any and all medical information, diagnoses, treatments and recommendations regarding my child to me (parent or legal guardian), telephonically, digitally, and/or in person.

Ich erlaube hiermit auch den vertraulichen (telefonischen, digitalen und persönlichen) Austausch von medizinischen Informationen, Diagnosen, Behandlungen und Empfehlungen bezüglich meines Kindes zwischen dem oben genannten Gesundheitspersonal und dem Verwaltungs- und Gesundheitsbeamten von AIS-Salzburg. Darüber hinaus gestatte ich der Schule, mir alle medizinischen Informationen, Diagnosen, Behandlungen und Empfehlungen zu meinem Kind telefonisch, digital und / oder persönlich mir (Eltern oder Erziehungsberechtigte) zu übermitteln, und entbinde das medizinische Gesundheitspersonal von der Schweigepflicht.

I further understand that:

- AIS-Salzburg will keep and store my child's medical records and reports, (electronically and/or physically), which will be accessible only to the school's administration, for up to six months after my child's enrolment at the school has ended.
- All of my child's medical records and reports in possession of the school will be transmitted to me (parent or legal guardian), removed from the school's server, and stored on external thumb drive (in a safe) for twelve (12) months after my child's enrollment at the school has ended, after which it will be destroyed.
- AIS-Salzburg will never share my child's medical records and reports in its possession with any 3rd party without my (parent or legal guardian), express, written consent to do so.

Ich verstehe weiter, dass:

- AIS-Salzburg speichert (elektronisch und/oder physisch), die Krankenakten und Berichte meines Kindes, die nur für die Schulverwaltung zugänglich sind, bis zu sechs Monate nach Beendigung der Einschulung.

- Alle medizinischen Aufzeichnungen und Berichte meines Kindes, die im Besitz der Schule sind, werden mir (Elternteil oder Erziehungsberechtigten) auf meine übermittelt, vom Server der Schule entfernt, auf einem externen USB-Stick gespeichert (in einem Tresor aufbewahrt) und zwölf (12) Monate nach Beendigung der Einschulung meines Kindes vernichtet.

- AIS-Salzburg wird die medizinischen Unterlagen und Aufzeichnungen meines Kindes niemals mit Dritten teilen ohne meine (Eltern oder Erziehungsberechtigte), ausdrückliche schriftliche Zustimmung dazu.
