When parents, guardians and students are informed of acceptance to AIS-Salzburg, invoices for the appropriate tuition and fees are sent by the school accountant. The tuition down payment (approximately 25% of total tuition and fees) must be received by the school within 30 days of the invoicing date. All further tuition payments must be completed before September 1 for all full- and five-day boarding students. Day student tuition is paid trimesterly with rates due on the first business day of each new trimester.

The school reserves the right to charge interest at a rate of 5% and a processing fee on all overdue invoices and to deny the student's right to attend classes, participate in school-organized activities and functions, remain resident in the school's dormitories, receive official school reports of progress and transcripts, or remain on the school's campus should tuition not be paid in due time.

AIS-Salzburg rewards returning students with a discount on the published tuition and fees rates of 5%. This includes full-boarders, 5-day boarders and day students.
